2.2 Coordination with other sections

- 1) Coordination with career support section
 - This coordination is one of the activities for promoting the use of the library for job hunting, which was set as a library goal of this year. Announcements from the career support section are displayed in the library.
 - The number of materials for job-hunting increased by distributing leaflets at every job-hunting course or seminar.

TOEIC Section

•

In order to achieve students' aim as over 550point of TOEIC, the library expanded the latest TOEIC materials and introduced useful materials for students, with consultation from teachers in charge of TOEIC.

3) Coordination with SIT junior and senior high school

As part of cooperation efforts with junior and senior high schools, which have been moved to Shin-Toyosu station, SIT Toyosu library has been open to junior and senior high school students since October 2017. This effort is good for students, who have become familiar with the university library's environment and helps student to imagine campus life in SIT and decide their future course/plan through reading specialized books. We advertise this effort to public.

We had a library tour for junior and senior high school students twice on 20th and 22nd of February. Participants: 143 second grade of senior high school students (previous fiscal year 105 persons) Questionnaire result will be shown at 3.2 Various data as reference.

Number of visitors in FY2018: 30 persons 36 times (previous fiscal year 10 persons 10 times)

- 4) Coordination with Lecture
- Collaboration with the lecture in Omiya campus "Tsukuru(Create)"
 - Supported the "Create world's greatest library" lecture for 1st grade students of the college of systems engineering and science.

The lecture was held by an outside lecturer on 27th April and 11th May, and conducted 10 times.

- · Students who took the lecture later used the library
 - Students who took the lecture used library with their friends even after the lecture finished.
 - There are students who took this lecture before and are using library continuously according to their purpose, including circle activity, job-hunting and research.
 - Students who took the lecture and library staff got to know each other, easing communication even outside the lecture.
