

## 2.4 Planning and Publication

### 1) Library Newsletter

- The library issues OH! MY LIB CAFÉ both in Japanese and English three times a year.
- When we issue it, we send the latest issue to the other libraries and companies who visited our library before.

## 01. World's Libraries (Brazil)

Library of Universidade Federal de Santa Catarina (UFSC)  
http://portal.bu.ufsc.br

**Books about BRAZIL**

Here is a central library. There are 10 branch libraries in UFSC.

**Interview to Mr. Thales Porto Mendes**

Q. Please tell us about libraries in your country.  
A. Libraries in our country provide similar services to SIT but SIT library is more beautiful and comfortable. SIT has a better environment for students.

Q. How is the library in SIT?  
A. When I joined the Campus tour at the beginning of the semester, I've learned how to use the library. Then I come here about three times a week. Library, especially group learning room, is one of my favorite places in Brazil campus.

**Comments from international students to our library**

- I have an access to the e-journal, from my day books assigned to my laboratory so that I could concentrate on my research.
- I'm a user of "Science Direct". It is easy to search research papers by key words.
- I use science, technology and medical e-journals as well as eBooks.
- It is helpful since there are many English resources in the library.

**本の旅2018**

**SUIBAURA MOTOR SHOW 2018**

**Sign Design for Public Space**

## 03. Library news

**Library search system was renewed**

New functions such as search refinement and notice of new books are added to the search system. We get good reviews at the guidance. International student is also giving good review because English menu and FAQ are well-supported. Newly introduced app for smart phone got good feedback as "It is easy to take the procedure of recent a book through app" and "I can find the materials anytime".

**Read worldwide research papers in English "SciFinder"**

About 40 students were participated in the workshop on SciFinder which was held in Tenno and Omiya in April and we got comments from participants such as "I understood how to search research papers", "It's good to read worldwide papers" and "SciFinder is a database which gathering information of chemistry".

**Utilize eBook in lecture**

Prof. Shinichi Katsuki of Mechanical Engineering Dept. uses eBook as a text in his lecture. 100 students who take course can read the book at the same time. It is very popular as "Useful", and "I can read an extensive foreign book as smart phone or PC easily with using eBook in the library".

**We have "Tokyo Design Guide" section**

We are introducing guide site in design around Tokyo such as gallery and construction with related books. Message from visitor (Campus) of College of Engineering and Design. I recommend you to visit exhibitions. You can have a look around the town and surrounding buildings.

## 04. Library Best5

**Foreign Books Best 5 in 2017**  
(Apr. 1st - Sep. 30th, 2017)

## 01. World's Libraries (Hong Kong)

The Chinese University of Hong Kong  
http://www.cuhk.edu.hk/chinese/

**Project-based Learning for the Department of Electronic Engineering**

This project was assigned to my laboratory so that I could concentrate on my research.

**GPBL**

Global Project Based Learning (GPBL) is an active learning program, making project teams consisting of both Japanese and local students of the two universities in an academic exchange agreement, working together on tasks depending on their specialty.

**Valuable books for study abroad**

- 「地球の歩き方」**  
一巻、二巻、三巻、四巻  
Material ID: 1770457611  
A valuable item for study abroad and trips. It is available from [libra].
- 「Fundamentals of Electronic circuit analysis」**  
Material ID: 1020857601  
It is most helpful for understanding electronics in English.
- 「Arduinoでロボット工作のためのしるし」**  
Material ID: 1710205688  
Incredibly helpful in getting to know the microcomputer which was used in the PIC.

## 02. Special Exhibition

**Collections Released!**

**Sur-katsu**

**World Cultural Heritage in Japan**

## 03. Library news

**We had the Ebook garden!**

Thank you for joining the Ebook garden. Based on our library selection policy, we purchased requested ebooks. Ebooks are very useful since they are available through PC/Smart phones with easy access. Please use them on our library.

**Search service on our library collection has been renewed!**

Three categories have been more suitable for search service on our library. "Simple work report of literature", "Railway and Company's History". We renewed our search service and you can search them by the name of a city or by category. Non-commercially available major of literature "Simple work report of National Treasure and Important Cultural Property building" is available and some guides are available on the web. Please use resources for your study.

**Student's Exhibition "Welcome to the world of literature & culture"**

Books recommended by participating students, including "On C. moneta" and "The world of literature & culture". We are making minor changes to the display in every month. Please come by and take a look at it. Handwritten POPs are a must-see.

**FOOD ALL OVER THE WORLD**

We are introducing materials about world wide foods and restaurants where we can try them. The corner is very popular and visitors said "There are many books I never had I'd like to try".

## 04. Library Best5

**TOEIC Best 5**  
(Apr. 1st - Sep. 30th, 2018)

- Official TOEIC workbook for Listening & Reading**  
Call number: 803.75. The number of books lent: 10
- TOEIC L&R Golden phrase for vocabulary test**  
Call number: 803.7544. The number of books lent: 54
- TOEIC official workbook for new format of the TOEIC**  
Call number: 803.75. The number of books lent: 46
- TOEIC test for frequently appearing words**  
Call number: 803.7544. The number of books lent: 40
- Official training for TOEIC Listening & Reading**  
Call number: 803.7544. The number of books lent: 39

**The number of books lent by libraries (per person by faculty)**  
(Apr. 1st - Sep. 30th, 2018)

Department	Books lent
Department of Mechanical Engineering	25.7
Mechanical Engineering	6.5
Department of Mechanical Engineering	12.0
Department of Mechanical Engineering	10.6
Department of Mechanical Engineering	9.4

※For library schedule and information, please visit our HP: <http://lib.shibaaura-it.ac.jp/>

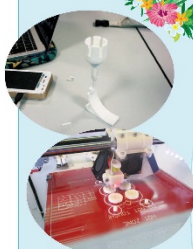

## 01. World's Libraries (Malaysia)

**Universiti Malaysia Sarawak (UNIMAS)**  
http://www.unimas.my/

We had an interview with Ms. Haruna Minegishi (College of Systems Engineering and Science, Department of Bioscience and Engineering), who joined the PBLs (Project-based learning) which were held in Universiti Malaysia Sarawak for about two weeks in August 2017 and 10 days in August 2018.

Universiti Malaysia Sarawak is a well-known university located in Kuching the largest state in Malaysia.

Since Malaysia is an Islamic country, there are restrictions on food and time (for prayer). Foods were delicious but there were often very spicy. I found many different customs and things which I never seen in Japan.

**Valuable books for study abroad**  
Good for study English  
[one-stop one-question  
TOEIC L&R test  
~ Express for reading ~]

As the part of the PBL program, we made an electric-generating propeller by 3D printer last year. We had a competition by group to generate electricity by using water. I visited the university library to see a sample propeller with my Malaysian friend.

For the initial period of the time, I faced difficulty in English communication, but after this experience, I became more aggressive in talking with international students in my laboratory. It is good not to create a barrier to foreigners to master English.

I will study English harder and would like to communicate fluently in English.

## 02. Special Exhibition

## 03. Library News

**Graduates can use university libraries.**

Using a library card, you will be able to use library services like lending/reading books, and order materials from other campuses' library. It is very useful since the library has a lot of materials. A graduate who is using this service said, 'I get a call from the library card is available through the service counter at the library or library HP easily. Let's apply!'

(Usage status of graduates)  
Age limit: 18 years old or older  
1. Graduate School  
2. Department of Human Resource Management  
3. Department of Engineering and Design

**Small Exhibition "from graduates to current students"**

Messages and recommendations from library students who will graduate from SIT in March 2019 are on display. Please take a look at useful books recommended by former graduates.

**New arrival foreign books selected via [Book garden Web] are on display!**

There were over 100 participants for the book garden Web, which offers the opportunity to select books that participants want to read in our library. In the library, selected foreign books have just arrived to the library and are on display at the top of the rack for new arrival magazine. Part of the book garden Web said, 'I can choose the book which I needed for a long time.' I want to suggest this service to our parents.'

## 04. Library Best 5

**Graded Readers**

1. Roman holiday  
Call number: 437.2122842. The number of books lent is 11.
2. Titanic  
Call number: 922.2094842. The number of books lent is 13.
3. The Phantom of the Opera  
Call number: 437.2122843. The number of books lent is 16.
4. The Albert Einstein story  
Call number: 622.7122844. The number of books lent is 14.
5. And Then There Were None  
Call number: 437.2122845. The number of books lent is 10.

**The number of books lent by libraries (Sponsored by Faculty)**  
(Age 1st - 12th, 13th - 15th)

## 2) Exhibition

We held 64 exhibitions in a year across the three campuses. It led to increased student interest and a rise in the number of exhibited books leased related to the thesis.

We coordinated with the laboratory and circle to exhibit research theses and so on.

## Collection of the "Repair work reports of National Treasure and Important Cultural Property building"

### What is the "Repair work reports of National Treasure and Important Cultural Property building"?

These are detailed reports summarizing data of drawing, illustrations, and historical background which were used during the repair work of aging or damaged national treasure and important cultural property building. These reports have measurable influences on many constructions in modern society.

Since the amount of data which was edited by Cultural Affairs Agency and prefectural and municipal government is one of the Japanese Cultural heritages, it is not commonly marketed but donated to SIT. These reports are one of the significant collections in our library and valuable documents in our research and education. It is very useful in researching structures and its history of the National Treasure and Important Cultural Property building. Please make good use of the report in your study.

### 1. "Repair work reports of National Treasure and Important Cultural Property building" by Classification

Classification	Number of Books
Before Early Modern/Temple	597

## “Railway” Collection

### About the “Railway” Collection

SIT has a deep connection with railways, as the predecessor of the affiliated junior and senior high school of SIT was “Tokyo Railway Junior High School” established by the Ministry of Railways; formerly Ministry of Land, Infrastructure, Transport and Tourism. SIT got an offer to donate railway materials to our library in October 2013. To consider its effective use and archival, we established the “Library Research Committee of Railway Technology Material” (renamed from “Committee of Railway Technology Collection” in July 2015). Toyosu library have carried out an advanced implementation of collecting, accepting and stringently organizing the donated materials.

An exhibition space for the Railways Collection-“[Shibaura Railway Technology Gallery](#)”- opened in April 2017 as part of opening ceremony of the high school. The vision of a “Technology Gallery” at the high school coincided with the timing of receiving donated materials to university library, with the Railway Research Club of the high school activity in the operation, ensuring the project proceed smoothly.

Currently, [the materials are on display at the gallery](#) with the coordination of the high school and university library.

### “Railway” Collection by Classification (As of September, 2018)

Classification	Number of Books	Classification	Number of Books
Travelogue	144	Electric Car, Electric Vehicle and Accessory Vehicle	78
Railroad Engineering	17	Current Collector, Control・Brake Device	2
