### Collection of the "Repair work reports of National Treasure and Important Cultural Property building"

What is the "Repair work reports of National Treasure and Important Cultural Property building"?

These are detailed reports summarizing data of drawing, illustrations, and historical background which were used during the repair work of aging or damaged national treasure and important cultural property building. These reports have measurable influences on many constructions in modern society.

Since the amount of data which was edited by Cultural Affairs Agency and prefectural and municipal government is one of the Japanese Cultural heritages, it is not commonly marketed but donated to SIT. These reports are one of the significant collections in our library and valuable documents in our research and education. It is very useful in researching structures and its history of the National Treasure and Important Cultural Property building. Please make good use of the report in your study.
