

DATABASE **BUILDING TYPES ONLINE**

THE INDISPENSABLE TOOL FOR TEACHING AND DESIGN

- ▶ English-language online resource for the study and practice of architectural design
- ▶ Based on the publisher's high international standing in professional architecture books, on the knowledge of the authors and editors who are leading experts in their fields, as well as on the technical quality of the illustrations
- ▶ Large international collection of contemporary buildings, e. g. housing, office buildings, museums, schools, libraries, industrial complexes
- ▶ Edited by Prof. Oliver Heckmann, Singapore University of Technology and Design

WHAT DOES IT INCLUDE?

- ▶ Launch version includes content from **12 previously published Birkhäuser publications** (2002-2016), comprising more than **850 international case studies** from mostly the past 30 years and more than **120 thematic articles** on specific aspects of building design
- ▶ Launch version with approx. **1,800 photos** and approx. **3,500 plans**
- ▶ Annual updates to include additional 1-3 new Birkhäuser publications with additional building types and new projects
- ▶ First update in 2017 to comprise sports buildings, hospitals and more housing types

25.01.2017

Building Types Online

WHAT ARE THE BENEFITS?

- ▶ Each building presented with a wide array of technical drawings, plus reference photographs of the exterior and interior
- ▶ Vector-based plans of excellent quality available for download
- ▶ Thematic essays on key aspects of each building type including links to the relevant case studies
- ▶ Language: English
- ▶ User interface: English, German

COMPREHENSIVE SEARCH CRITERIA AND FILTER OPTIONS

- ▶ Highly flexible and detailed search and browse access to the contents of the Birkhäuser program on building types
- ▶ Search by: Full text; architect; author; country; building type; building form; urban context; height, and many more
- ▶ Browse by an elaborate structure of categories including Urban Context, Access System, Building Form, Spatial Configuration, several type-specific categories, and many more

The screenshot shows the 'Building Types Online' page. At the top, a navigation bar contains links: 'Add Note', 'Print', 'Save to bookshelf', 'Cite/Export', 'Your opinion', 'Email', 'Share', and 'Text size: [icon]'. The main content area features a blue sidebar with 'BUILDING TYPES ONLINE' and a search icon. The main title is 'Building Types Online' with the subtitle 'Innovative tool for architectural design'. Below this, it lists 'Editor-in-Chief: Heckmann, Oliver' and 'BIRKHÄUSER'. A description states: 'One-time purchase of base content (RRP), subsequently annual update fee for new content'. There is a 'Get New Entry Alerts' button with a RSS icon. Below the main content is a 'SEARCH DATABASE' button. At the bottom, there are tabs for 'Overview', 'Details', and 'Comments (0)'. On the right side, there is a box for 'Access brought to you by: De Gruyter / TCS DE GRUYTER'. Below this, it says 'ONLINE VERSION (PURCHASE OPTION)' and 'ISSN: 2297-6442'. There is a link 'See all formats and pricing'. Underneath, it lists 'Online Version (Purchase Option)' with 'RRP' and '€ [D] 4000.00 / US\$ 5400.00 / GBP 3000.00*'. There is also an 'Update price' link.
