The screenshot displays the S.I.T. Search interface. At the top, the header reads "S.I.T. Search". Below it, there is a "Back to results" link. The main search area includes a dropdown menu set to "All Fields", a search input field, and a "+" button. Below this, there is a section for "Publication date" with links for "12 months", "3 years", and "5 years", and a date range selector with "from" and "to" fields and calendar icons. A link "Fewer search options >" is also present. The interface is divided into three columns of filters: "Content type", "Discipline", and "Language". Each column has a "click to search" link. Under "Content type", the "Any Type" option is checked, and "Archival Material", "Article", and "Audio Recording" are unchecked. Under "Discipline", "Any Type" is checked, and "agriculture", "anatomy & physiology", and "anthropology" are unchecked. Under "Language", "Any Type" is checked, and "Abkhazian", "Afar", and "Afrikaans" are unchecked. Below these columns are three sections: "Limit to", "Exclude from results", and "Expand your results". In the "Limit to" section, "Items with full text online" is checked and underlined, while "Scholarly materials, including peer-reviewed", "Items in the library catalog", and "Open Access items only" are unchecked. In the "Exclude from results" section, "Newspaper articles", "Book Reviews", and "Dissertations" are all unchecked. In the "Expand your results" section, "Include results from outside your library's collection" is unchecked. At the bottom, there is a "Search" button and a "Clear Form" link.
