### Feedback from users

- I check display frequently because there are useful updated books for job hunting in the library.

(Mr./Ms.M, Senior, Department of Machinery & Control Systems)

- I have been using the book titled "This recruiting test is used by this industry/ company (Call number: 377.9/Sp5/Shushoku)" It's very useful. I highly recommend you to use this book!

(Mr./Ms.A, Systems and Engineering Graduate, joined Hitachi, Ltd.)

"Digital content library of Toyo Keizai" and "eol" may be useful for gathering company information.

Furthermore, gathering updated information about companies where published in newspaper and magazines through "Nikkei Value Search" and "Nikkei BP Magazine" would give you an edge on your job hunting.

Please visit our feature display about job hunting located in each campus as well as using database.

## 07 Afterwards

We are already in Summer. Let us introduce recommended books which you should read in the hot weather.

☺ "The Box of Moryo" by Natsuhiko Kyogoku  
Although it is a second of a series but it is well worth reading.  
(by Takei)

☺ "Necropolice" by Riku Onda  
You can enjoy her unique world view with homage. I recommend you read the book during Bon.  
(by Hoshino)

☺ "Kiken" by Hiro Arikawa  
You feel refreshed after reading this book.  
(by Kobayashi)

☺ "Kimino Nami ga Kikoeru" by Ruka Inui  
It is retitled boof of "Siryu Kaijyo". It is a mystical and wistful story during summer vacation.  
(by Ogawa)
