

01 Special Topic

We are trying to make our library more comfortable!

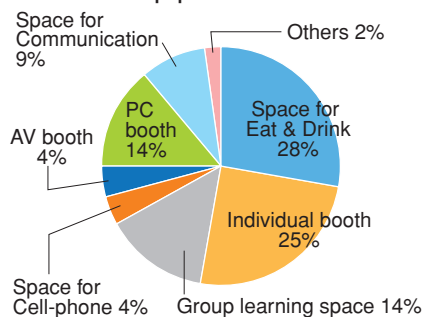

We conducted a user satisfaction survey from October 1st to November 7th of 2015. In this topic, we report on efforts against the survey.

The survey was conducted not only in the libraries but also in front of CO-OP and web site. Many student regardless department and faculty cooperated in the survey. Thank you very much for your cooperation and we will do our best to improve the utility.

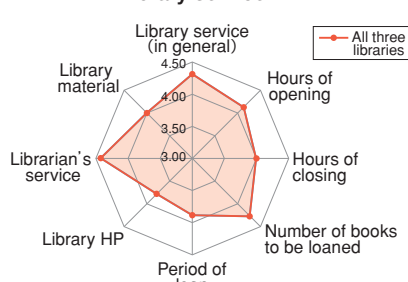

Questions regarding utility and facility which you want to expand or set up in the library in the future.

Question No.4: Requests for facilities and equipment (Whole)

The requests common to all libraries are about learning environment such as "Space for Eat & Drink", "Individual booth", and "Group learning space" etc.

Question No.5: Evaluating endpoints for library service.

Libraries have been opened 30 minutes forward this year, and resulted in greater student satisfaction in the opening time. We will do our best to provide a high-quality library service.

Libraries efforts for follow up the survey

Toyosu library

• Please increase the numbers of CDs.

- ➔ 20 new CDs are on display at red circle corner. Please try it out at our library!

• We want to use the library quietly.

- ➔ We will set up silent area in the library from April 2016.

Omiya library

• We can't find out how to use SIT search

- ➔ An explanation of how to use SIT search is on a whiteboard at PC corner. For more details, please stop by the information counter freely.

• It could be nice to have a brochure regarding gathering information since I want to find documents for my seminar.

- ➔ Please stop by the counter on the 1st floor to take a Miniature book that might help gathering information.

Shibaura library

• Please introduce us recommended books by our Sempai (senior)

- ➔ We have exhibitions about recommended books by forth-year student and above as well as interviews to fourth-year students. Ranking of books rented by Sempai (senior) who studied Engineering and Design are on display, too.

• Please increase the number of books such as Architecture, TOEFL, English conversation, How to write an English academic paper, and Processing.

- ➔ Books from both Toyosu and Omiya library and newly purchased are on display at left side of the entrance. Also, we have request service at the library. Please try the service.

Our strategy for 2016.

Libraries are continuing to plan many enjoyable events such as workshop and book garden (Sensho-kai).

02 Special Exhibition Shibaura Institute of Technology Omiya Library 2016 Spring Exhibition

Omiya Library Base station

~Let's have a look at
Wireless applications~

Duration of the Exhibition:
Mar. 7th (Mon.)-May 21st (Sat.), 2016
Venue of the Exhibition:
Exhibition Corner at 1st Floor of the Omiya Library

Supporting organization
Research Club for
Wireless communication

03 Library News

All libraries

★Congratulations on your graduation!

This is an information to students who graduate from SIT this year. You will be able to use University libraries after you graduate SIT and can use lending service as well as reading through using a Library card.

Application for the library card is available through service counter at the library or library HP easily. More than 1,000 Sempai (seniors) have been registered. We are all waiting for you.

Toyosu Library Library student staff is cheers for good work!

Student staff who were great help to librarians will graduate.

Iwasaki: I came to like library very much!
Matsumoto: I did my best as offering interesting topics.

Kawamoto: I had good time making exhibits and writing promotion items.
Takeuchi: There were many encounters. That really broadened my world.

Thank you very much for everything you have done for our library. We wish you every success in your new stage. Library is your hometown.

Omiya Library Prize are given to the person who read a lot of books!

Library give a present to senior (4th grade) student who read a lot of books during their 4-year university life. The largest number of books recorded by Kyosuke Hamamoto of Information system was 867! He often borrowed books about mathematics, physics, programming, and electronic circuit during studying at SIT. Here is a message from him. "When you have difficulties in your class, please visit the library and find a reference book. The habit of studying by yourself is effective for your study".

New books selected through Book-garden arrived.

Next to the information counter of Shibaura library, Book-garden (Sen-sho-kai) corner has been set up. There are a lot of books in a wide range of fields including foreign books of architecture and design. Please come to see the books.

(Apr.1st, 2015-Jan.15th, 2016)

* Target book: Specialized book

Collection of Architectural design materials
Call number:525.1/N77 **30**

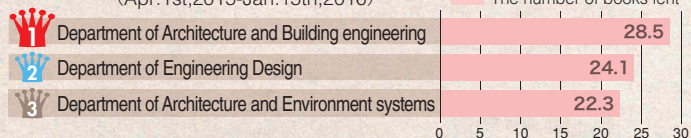

Towards becoming a better architect
Call number:520/Sd/21 **28**

Basis of Structural dynamics
Call number:524.1/Ma81 **27**

The top 3
"Specialized book for Architecture"

The number of books lent by libraries (per person by faculty)
(Apr.1st,2015-Jan.15th,2016)

05 Global Activities in the Library

We held some international workshops in our libraries to know each other's culture with various foreign students: "Yukata Workshop" to wear Japanese traditional garment, "Malaysia Day" to enjoy the game and the unique tea, "Brazilian Day" to introduce Brazilian culture and enjoy coffee, "Vietnam Workshop" to introduce the culture and the internship in Vietnam and so on.

We would be happy to continue to offer a place for cultural exchange between both Japanese and foreign students.

06 Library Calendar

written in black: normal opening time(Toyosu 8:30-22:00, Omiya 8:30-21:30, Shibaura 8:30-22:00)

written in red: Libraries are closed circle: return date of long-term loan period

triangle: close at 18:00 square: only Toyosu and Shibaura libraries are closed at 18:00

07 Pick up an International student

Question to International students who studying SIT!

Mr. Antonio of Systems engineering and science answered to our question.

Q: Do you often use our library?

A: I almost never use it. When I joined "Yukata workshop", I went into the library firstly.

Q: How was the workshop?

A: It was very fun. This kind of events are really good.

Q: Please let us know your recommended book.

A: Physics (Electromagnetic) book by Halliday. I often read it because it explain difficult subject to us simply.

Thank you very much for your time.
