Use E-J perfectly and take a lead in your research and job-hunting!

The "Nature" since 1997 are available for inspection.

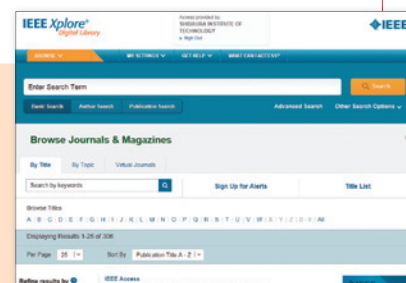

Using **Nikkei BP search service**, it will be easy to get useful information for job-hunting!

You can use not only Nikkei magazine but also ranking of blue-chip Company for your job-hunting research on companies and business fields.

IEEE Xplore

(IEEE (The Institute of Electrical and Electronics Engineers, Inc.) IET (Institute of Engineering Technology))

Almost all publications published by IEEE and IET are included. These documents have worldwide information about electric, electronic, and computer. People who want to read documents in these fields are must-check!

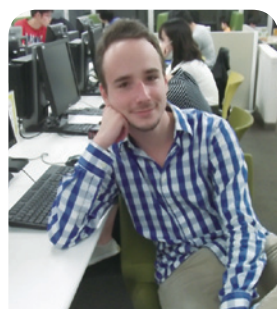

Voices of students who use the E-J

Science Direct

The World's largest electronic journal which is very popular in our university, too.

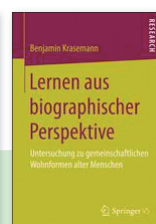

With keywords you can find papers easily and get information like abstract. In some papers, you will be able to read full text of the paper as PDF, I can get necessary documents for my assignment.

Springer Link

You will be able to search an article from 1600 journals published by Springer Co.

It is useful and convenient, because I can read many foreign books in various fields.

We are using E-J services!

There are a variety of other useful **E-J** services.

Let's visit our library HP and try to use E-journals! (<http://lib.shibaura-it.ac.jp/research#tab6>)

We carried out Library satisfaction survey!

We carried out the survey on October. With the assistance of International division, we got number of responses from International students. Thank you very much for your cooperation.

From the survey, Carell(Toyosu), Individual booth(Omiya), and needed documents(Shibaura) are highly demanded. The result detail will be shown in our HP later.

Toyosu Library

Special feature on Author is still underway!

Currently, we have a Special Exhibition at book rack No.8! We introduce 2 or 3 authors monthly and their books are on display. It will be a chance to meet another kind of novels you've never read!

Omiya Library

Popular book ranking by faculty is on display!

Through the exhibit, you can check popular documents by faculty a year ago this month. It will give an indication to find documents which you need. It is very useful for the students who want to know what book were read by Sempai (seniors) and have difficulties in choosing a document/book. Please visit our library and make good use of it!

05 Global Activities in the Library

Japanese Classes have been held!

Thanks to the initiative taken by our student staff, Japanese Class were held at Japanese style room called "Shibaura-an" in Toyosu library. To meet international student's requests to learn Japanese, we set up the opportunity of conversational practice and 28 international students joined in total during 3month from May to July. Although the classes was held once a week but it was a good opportunity for international students to increase their motivation with using Japanese and communicate each other.

07 Pick up an International student

Question to International students who studying SIT!

Ms. Suopor Hiranchiracheep, Doctor's course of Functional Control system answered to our question.

Q: Do you often use our library?

A: Yes. I make heavy use of the library to concentrate on my study and research.

Q: Please let us know your favorite spot in our library?

A: I like an individual booth of Omiya library. Since it is quiet spot with a nice view, I can concentrate on my study and research there.

Q: What is your recommended book?

A: It is difficult to choose a book because there are many interesting books there but I'm happy to read many specialized books.

Thank you very much for your time.
