

01 Special Topic

Our library will be passed on to younger generations.

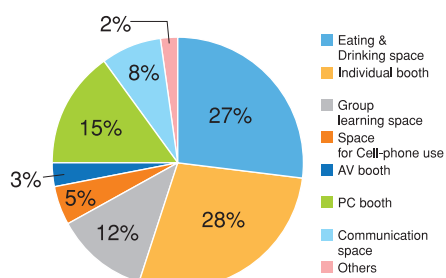

We conducted a user satisfaction survey from October 1st to 31st 2016. In this topic, we report on the outcomes and each library's effort against the survey.

The survey was conducted not only in the libraries but also in front of CO-OP and web site. Thanks to all of you, we got over 2500 answers.

05 Global Activities in the Library

~Global campaign
in a library~

Our library offers free Japanese Class for International students as one of our global activities. In addition to the "Japanese Class", we held cultural events such as "Yukata Workshop", "Malaysia Day", and "Library Fun Event!". Additionally, we increased the number of materials for Japanese language, as well as Multi-Reading books. Also, English version of our newsletter "OH! My Lib Cafe" have been released on our HP. It would be grateful if our library could offer the opportunity to develop relations both Japanese and International students.
