Book Garden is an event to select books which user wants to read in the library. This event was held in Toyosu, Omiya and Shibaura library. It was a great success because many people participated in it.

Toyosu library

Shibaura library

Omiya library

A total of 634 people participated in the event. Thank you very much for your cooperation. Books selected by the participants will be shown whenever it is ready. Book Garden was attended by 634 participants. For feedback from the participants, please visit our HP at <http://lib.shibaura-it.ac.jp/2017/06/23/9072> Books selected by the participants will be displayed in each library. Please pick out the book.

New Event!

E-Book Garden was held at the same time!

E-BOOK Zone is very popular to first year grade (freshmen).

E-Book Garden is an event that you can request an E-book you are interested in. We prepared over 800,000 E-books for this event.

We have interviewed an International Student who participated in the event.

I was on this event that I learned about E-Book and I recommended it for my friends. It was nice to choose French book because my native language is French.

E-Books selected by the participants are shown in our library HP. Please visit the site.

02 Special Exhibition

03 Library News

Let's attend a Guidance.

Quality use of the library and services available to report, Master's research and job hunting has been introduced at the each faculty's guidance in April. We got feedbacks from students who attended the guidance of report builder "RefWorks", Chemistry-related information Database "SciFinder", and Company-related information Database "eol" that "It was very nice and useful.", I'd like to make better use of these tools". Application for the guidance is available through service counter at the library or library HP. Please feel free to consult us!

Toyosu Library

Permanent exhibit "Koyomi Dayori"

In this exhibition "Koyomi Dayori", books related to the month are introduced. Please come to the self No. 8 to find your favorite book like a prize-winning book and a book written about

anniversary. We hope to see you!

Omiya Library

Hand out our Original Book marks

We are now handing out our original book marks. Popular materials by departments are written on the book mark. You will find which materials were popular to students in same department last year. Please look for a book mark of your department.

Shibaura Library

Book Post was set up!

Book Post designed by Master's student in Mechanical Engineering has been set up at the entrance. It is very useful when the library is closed.

05 Global Activities in the Library

Let's learn about Japanese Culture!

Toyosu library has a zone to introduce Japanese culture. There are English translated documents such as Japanese famous contemporary literature and folk story as well as introducing Japanese culture with using pictures and English.

You will be able to learn deeply about Japanese Culture. For Japanese students, this section is useful for English study. Hiragana Book is also popular to International students! We will provide an opportunity for both Japanese and International students to communicate each other.

07 Pick up an International student

Question to International students who study Architecture.

Mr. Jean Marc, Master's course answered to our question.

Q: Why did you choose to come to Shibaura Institute of Technology?

A: Because I am interested in study housing complex espe-

cially in Tokyo area.

Q: Please let us know your favorite spot in Toyosu library?

A: I like quiet place such as an individual booth and silent area.

Q: What kind of book do you check out?

A: I usually check out Foreign books in the field of Architecture such as 'a+u'. I read a lot of native language(French)

books, too.

Please give a message to newly enrolled international students.

Since there are a lot of books in the library, I recommend you use the library!

Thank you very much for your cooperation.
