I use ScienceDirect! Just enter a word, you can find a research paper.

You can read worldwide reports through ScienceDirect! It's very useful to use E-J and E-books in the field of Science, Technology and Medical. Let's try!

K

International Student from Morocco, Global Course of Engineering and Science

I am using "Digital Contents Library of Toyo Keizai" and "Seasonal Reports" for my job-hunting. It's easier to read on screen than on paper.

L
3rd grade Undergraduate,
Electronic Information systems

I have used it for my report. I could find the materials without visiting Library.

I read E-J and report as assignment, too.

P

07 Pick up an International student

Question to international students who studying SIT!

Ana and Renato from Brazil answered to our question.

Q: Do you often use our library?

A: Yes. I often use PC area and read books related in my research. Since

Japanese language is difficult for me, my friends help me to find a book.

Q: Please let us know which service do you want to install in our library?

A: English sign for how to use library would be a help to international students. And the opportunity that students can introduce recommend book each other. I believe it makes us want to read

books more and more.

Q: Please give a message to other international students.

A: Library is not only a space for searching books but also can feel and learn Japanese culture through its display such as Origami and Yukata. Many fun events and display are there, we recommend you to visit the library.
